

Adding Products to Vintage Marche Online

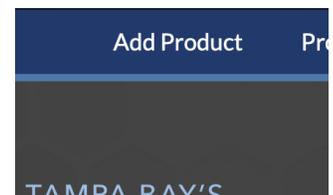

1. Log into the Vendor Portal

Click the Login link in the upper left corner of the vintagemarche727.com website. Use your Vendor ID code and the password you set in the activation step to log in.

2. Select Add Product from the Vendor Menu

If you are logged in as a Vendor, you will see a special menu in blue at the top of the page. Click on Add Product to get started.

3. Describe your Product

Give your product a title and write a clear, complete description of the product you are offering. Be sure to include any relevant details that a customer might be interested in. Separate spaces are provided below to add dimensions for your product. These are optional fields, but recommended to provide more context for customers.

Product Title *

Product Description *

This Great Product was manufactured in 1965 by the Detroit Great Things Co. It is in excellent condition and comes with the original doodad. It has been restored with thingamajigs from the same era. This Great Thing has so much history and will make an excellent addition to any social gathering.

7. Click Next

8. Upload Photos of your Product

Click Choose File and select a photo from your phone or computer. The first (Main) photo should display the item in it's entirety, but rest of the photos can be used for close-ups of details and display different angles. Try to use high quality photos with minimal shadows. Avoid blurry photos and distracting backgrounds.

9. Submit your Product

Click the Submit and Create Another button to submit your product for approval.

Once you have submitted your product, you will receive email confirmation that we have record of your submission.
